

June 7, 2001

Dear Meg,

Thank you for letting the whole  
3rd grade to come and see the big claw.  
I liked the tipping floor. I hope my house  
is one of the 7000 houses that get electricity  
from your plant. I never knew there could be that  
much trash. Hope to see you next year.

Sincerely,

Victoria Orr

My favorite part of the trip was the claw.
