

June 6, 2001

Dear Meg,

Thank you for letting us  
visit. It was interesting to find out  
how hot it has to be to burn  
the trash, and that even though it  
so hot it still couldn't burn glass to ash.  
Also one of my favorites is the claw

Sincerely,

Andrew Castonguay

My favorite part of the trip was the \_\_\_\_\_.
